International Catholic Stewardship Council (ICSC) Annual Conference & other DVD's & VHS Videos

2008 ICSC Conference – October 12-15, Chicago, IL

Opening Keynote Address - *Eucharist and Kingdom: the Dynamic of Discipleship*

Time: 60 min. DVD

Speaker:

The Reverend Frank DeSiano, CSP

The Paulist Fathers

Jamaica Estates, New York

The interactive quality of the Eucharist that we celebrate gives clues about what God asks of us. By responding at the Eucharist, and living our response, we orient ourselves to the Kingdom of God by committing ourselves to be disciples. The Offertory of the Mass, one of the key points of response and commitment, is poorly appropriated by Catholics. The dynamic of the Mass, as well, gives important direction for how a parish itself lives its mission of self-offering.

Closing Keynote Address – *From Attitude to Action*

Time: 55 min. DVD

Speaker:

The Reverend John Lanzrath

Director, Office of Stewardship

Diocese of Wichita, Kansas

Jesus Christ invites each of us by name to follow Him. Stewardship is a life-long response of a grateful disciple to follow Christ, to imitate Christ, to be formed in the heart of Christ, to bring others to Christ. This presentation is founded in the words that St. Paul shares with the Philippians, "Have among yourselves the same attitude that is also yours in Christ Jesus" (Phil 2:5)

2007 ICSC Conference – September 23 -26, Miami, FL

Opening Keynote Address – *Stewardship, A Disciple's Response*

Time: 45 min. DVD

Speaker:

Dr. Pedro J. Greer, Jr., M.D.

Founder/Medical Director

St. John Bosco Clinic

Miami, FL

Dr. Greer takes his Hippocratic Oath seriously, and his concern for those without access to health care have fueled his passion and allowed the creation of various free clinics for the homeless, undocumented, migrant and poor of Miami. In 1984, as an intern, he founded the Camillus Health Concern which now serves over 10,000 homeless patients a year. His story of stewardship gives hope to all who hear it and is very inspiring to us in our stewardship journey.

2006 ICSC Conference – September 23 -26, Miami, FL

His Eminence Francis Cardinal Arinze

Prefect, Congregation for Divine Worship and the Discipline of the Sacraments

He was ordained to the priesthood in Rome on November 23, 1958. On August 29, 1965 he was consecrated bishop. He reminds us in his talk that if we are too live generously as disciples and stewards then the Holy Eucharist is absolutely necessary.

Dr. Cooney-Hathaway begins,

“As I begin the words of Hafiz, a Persian poet and mystic of the 14th century, describe the mood and the energy that I have experienced since my arrival, ‘God has shouted yes...yes...yes...to a very luminous movement!’ A renewed understanding of stewardship as described in the US Bishop’s Pastoral Letter is certainly a luminous moment and a luminous movement in the history of our Church.”

Closing Keynote Address - *“Why Catholics Don’t Give... And What Can Be Done About It?”*

Time: 60min DVD

Speaker:

Charles Zech, Ph. D.

Professor of Economics

College of Finance and Commerce

Villanova University

Villanova, Pennsylvania

Catholics contribute less to their church than nearly every other denomination. In fact, the rule of thumb is that the typical Catholic household contributes about half as much to their parish as does the typical Protestant household. This session uncovers the reasons for low Catholic giving, and presents practical solutions to increase Catholic giving.

His story, made into a Hollywood movie, “Running Brave” starring Robbie Benson, is inspiring and gives hope to the possibilities in our lives.

2009 Western Canadian Catholic Stewardship Conference (WCCSC) Speakers

The 2009 WCCSC – 2 Keynote DVD’s plus 11 Breakout Session DVD’s.

The 2009 WCCSC held in Regina from June 12-14 was, by all accounts, a huge success. The conference breakout sessions were divided into 4 distinct tracks, each of which is described in the graphic below.

Track #1	Track #2	Track # 3	Track #4
<i>A New Way of Seeing</i>	<i>Planting, Cultivating & Harvesting</i>	<i>Fueling the Fire</i>	<i>“It is good for us to be here!”</i>
<i>A New Way of Seeing</i> will explore the spirituality of stewardship. Rooted in conversion; stewardship invites us to look at who we are, and all that we have in a new way. This new way of seeing leads to stewardship as a way of life. The sessions are designed to inspire you and enrich your faith journey.	The <i>Planting, Cultivating & Harvesting</i> track is directed at parishes that are just getting started in creating a greater awareness of stewardship. Sessions offer practical tools to aid you in your parish stewardship education and formation efforts. How do we bring people to this ‘new way of seeing’? When the seeds of stewardship are properly planted and nurtured they will bear much fruit.	Track #3 is specifically designed for experienced stewardship leaders. You’ve had a parish stewardship team for a number of years... what’s next? How do you integrate stewardship into all of parish life? This track is all about keeping stewardship alive. Ideas to take stewardship beyond Time, Talent & Treasure will be offered.	Building communities that are welcoming and give people a sense of belonging is fundamental to our faith. It’s hard to convert people if the pews are empty! Here the speakers will explore the vital role that hospitality plays in building stewardship as a way of life that is both individual and communal.

The following is a list of the keynote and breakout sessions talks that are available on DVD. These may be borrowed from the Catholic Centre at the Archdiocese of Winnipeg

Manuals or Books

"Stewardship: A Disciples Response" A Pastoral Letter on Stewardship

This is the quintessential document on Stewardship. Published by the National Conference of Catholic Bishops as a recommendation made by the NCCB Ad Hoc Committee on Stewardship, this Pastoral Letter clearly positions Stewardship as A Way of Life.

"Leading the Team-based Church" Author - George Cladis

"I really like the way (Cladis) ties the Trinity to teams. His unique approach - explaining the role of teams through the eyes of the Holy Trinity - offers a new way of understanding how teams can function in the Church."

- Bill Easum, president, 21st Century Strategies Inc.

"Sixty Second Stewardship Sermons" - Charles Cloughen, The Liturgical Press

From the Foreword

"...a practical resource to be used by pastors for the communication of Stewardship at any time and all times of the year."

Most Rev. Archbishop James Patrick Keleher

"Creating a Stewardship Council"
- Marilyn Judd, The Liturgical Press

The first step in the process is establishing a Stewardship Team of lay leaders. Their responsibility is to initiate and sustain the process of Stewardship Education & Formation. This booklet is a wonderful asset in recruiting your Parish Stewardship Team.

"Sharing the Ministry"
A Practical Guide for Transforming Volunteers into Ministers

"Sharing the Ministry" is a gift to churches. The author balances theory and practice to help churches achieve effective, gift-based shared ministry...I use the manual as a desk reference, along with the dictionary, Bible, and a few favorite organizational management books."

- Diana Rohlfson, Director of Shared Ministry,
Pax Christi Catholic Community
