Steward Little

A mouse with a message!

Steward Little Says:

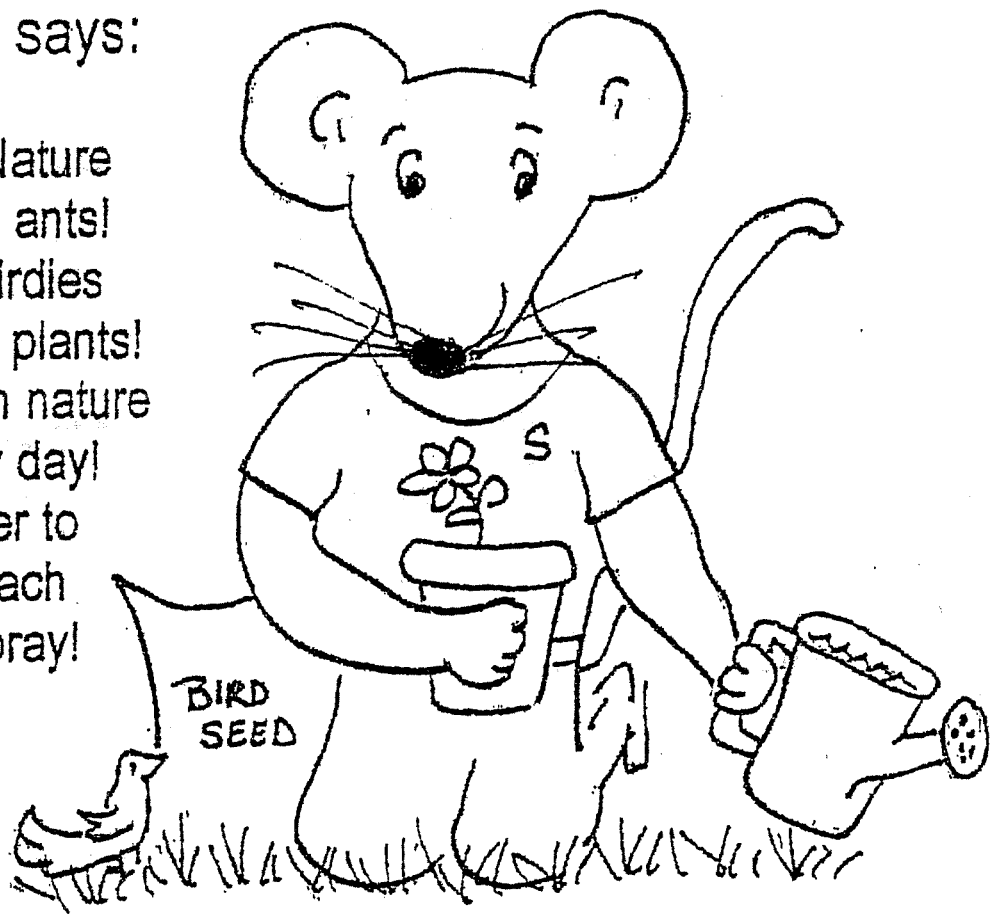

I can make my family smile!
It's a gift I've had for quite awhile.
I like to use this gift I've got
since family smiles are worth a lot!
My Mom sure likes it when I try
and it helps the baby stop his cry.

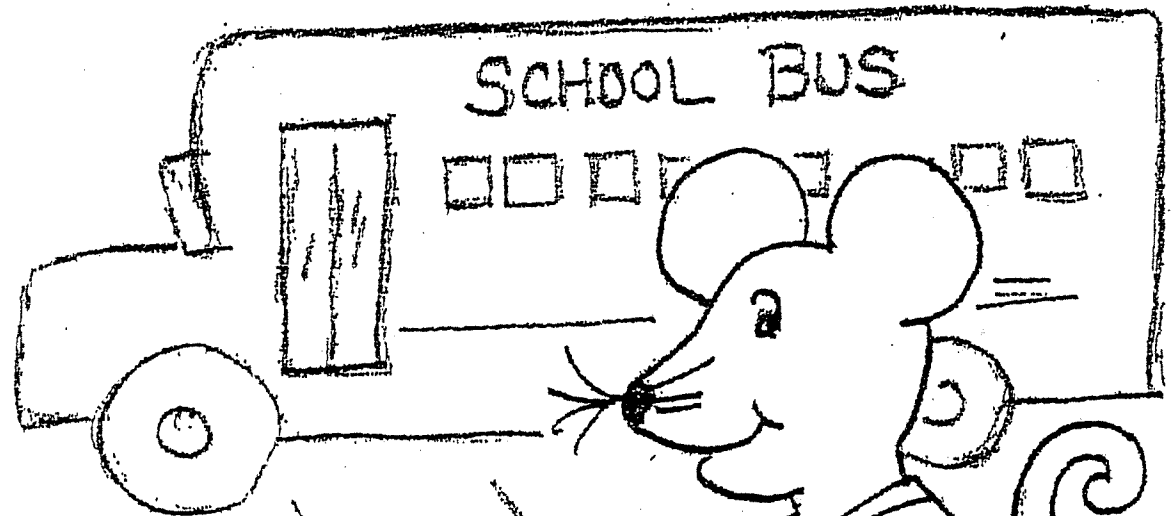

Helping with dishes
takes no time at all
and is something I can do
even though I am small!

Steward Little says:

I take care of Nature
I *never* step on ants!
I feed all the birdies
and water all my plants!
God gifts me with nature
To enjoy every day!
So I remember to
Thank Him each
night when I pray!

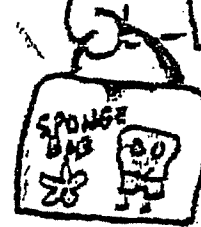

Steward Little Says:

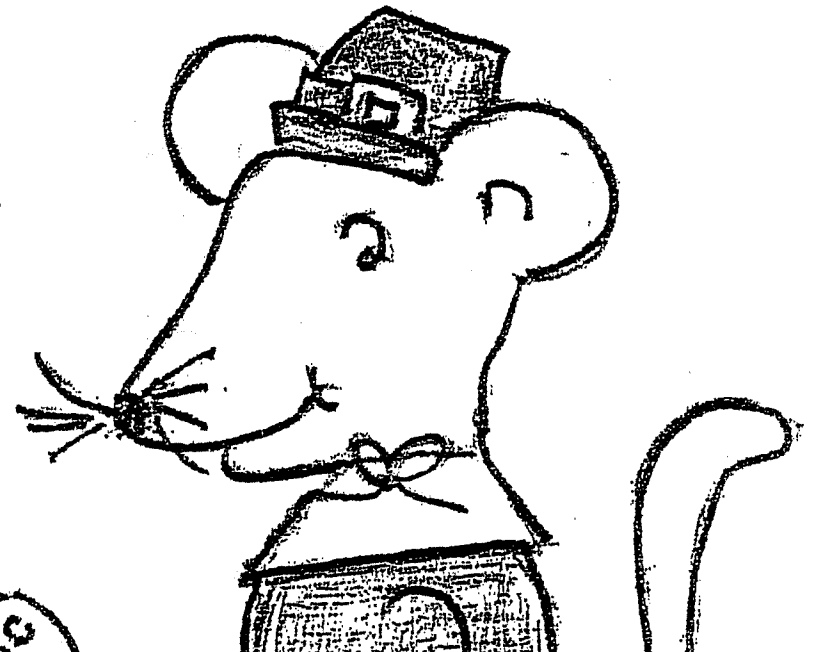

Back to School blessings
are everywhere to see
new teachers, new friends,
& some new clothes for me!

A new chance to learn
and a new chance to play
new reasons to say
"Thank you God"
every day!

Steward Little Says:

Kind words of "thanks"
Are easy to say
when seated in prayer
on Thanksgiving Day!
But trying to "BE GRATEFUL"
each day that goes by,
is a little bit harder
so here's how I try:
On Sunday I'm thankful
I visit God's house
On Monday I'm grateful
I'm a bright little mouse.
On Tuesday I'm glad
that the sun shines so bright.
On Wednesday I thank Dad
for the story at night.
On Thursday I'm grateful
my friends like to play
On Friday I'm happy
My Gram's come to stay.
On Saturday morning
I'm pleased as could be
That God's given SO MANY
Great blessings to me!

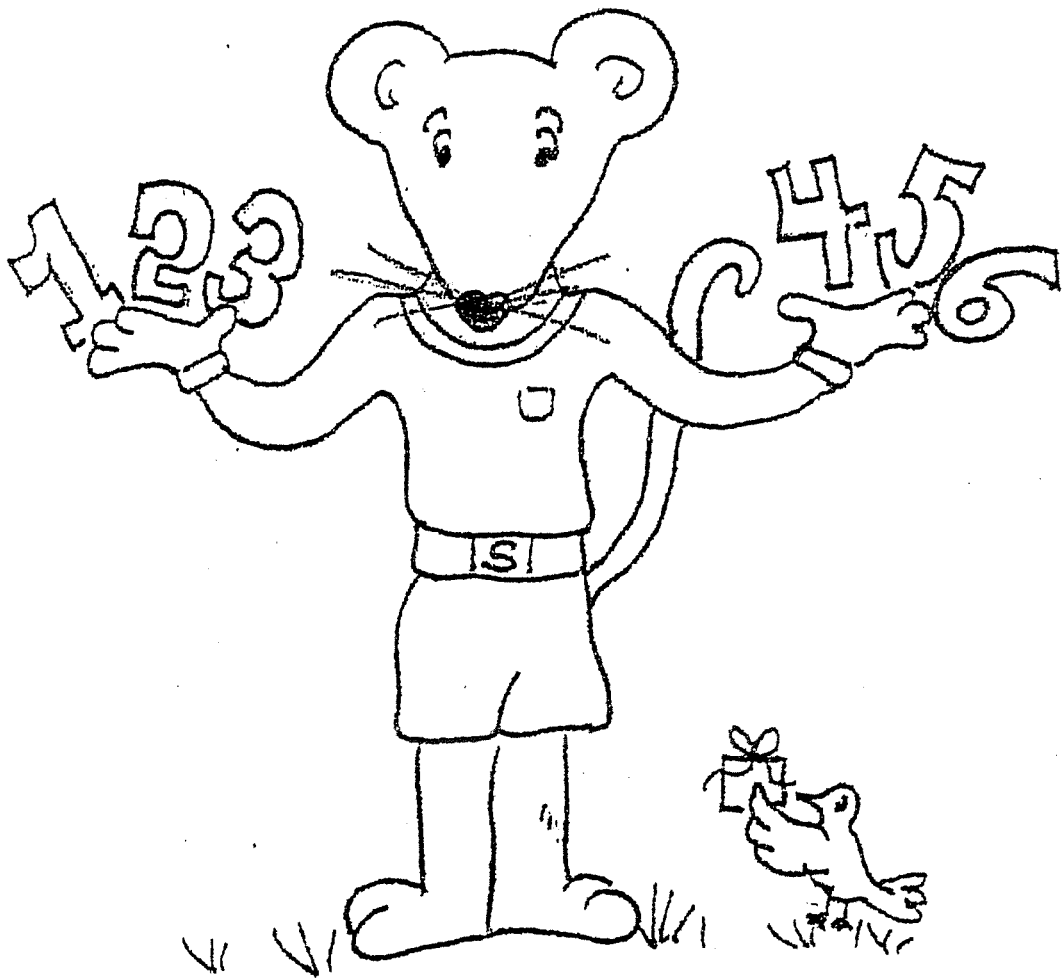

Steward Little Says:

A whole lot of gifts
will be coming my way
and I'm trying to think

Steward Little Says:

Sharing with others makes me feel rather good.
I give from my heart like I know that I should.
I do it with Love and I give to God first
Not the bit I don't need (that's like giving my worst).
I put my coins in, then I write my kind deeds,
And I know that my sharing helps many with needs.
I'm a blessed little mouse so I'm happy to share
It gives God every Sunday my big "Thank You" prayer!

Steward Little Says:

I was counting one day, all the gifts God gives me.
I thought it'd be easy, like 1, 2 and 3!
But as I could name all these gifts sent from heaven
The numbers were growing to 4, 5, 6, 7!!!
I used all my fingers, I used all my toes,
I used all the whiskers that sprout from my nose!
Each person I looked at, each way that I turned
held a gift sent from God, was the lesson I learned.
So try counting yourself and just see what you've got!
God really does love us and sure GIVES a LOT!

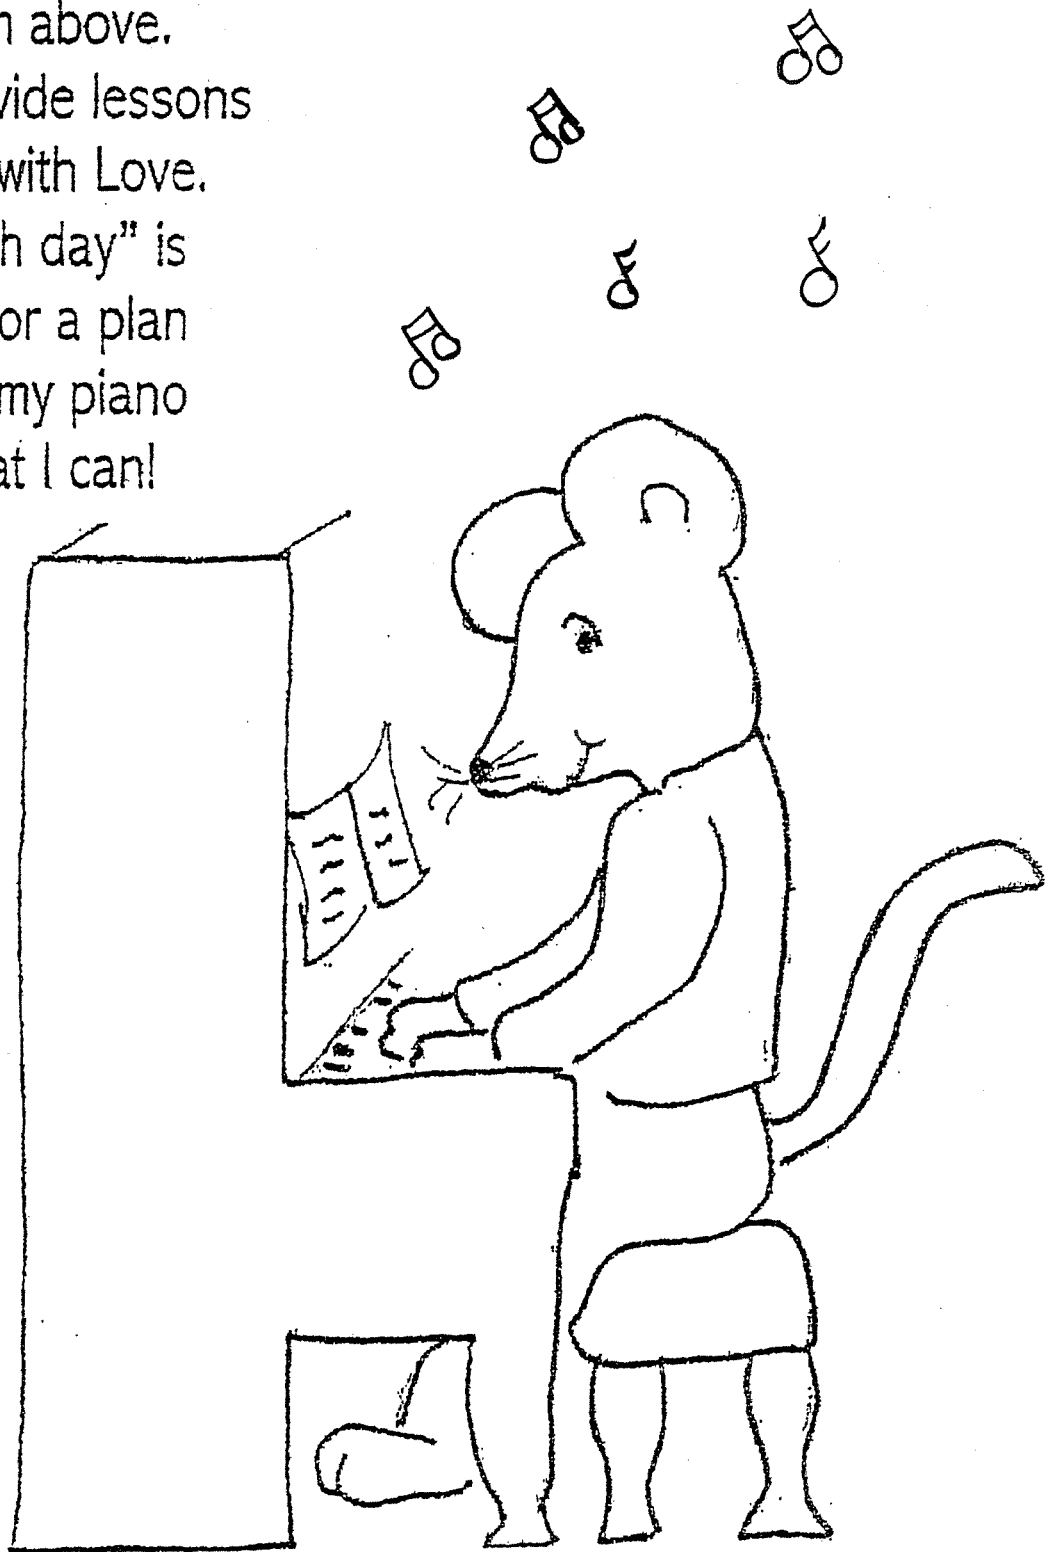

Steward Little Says:

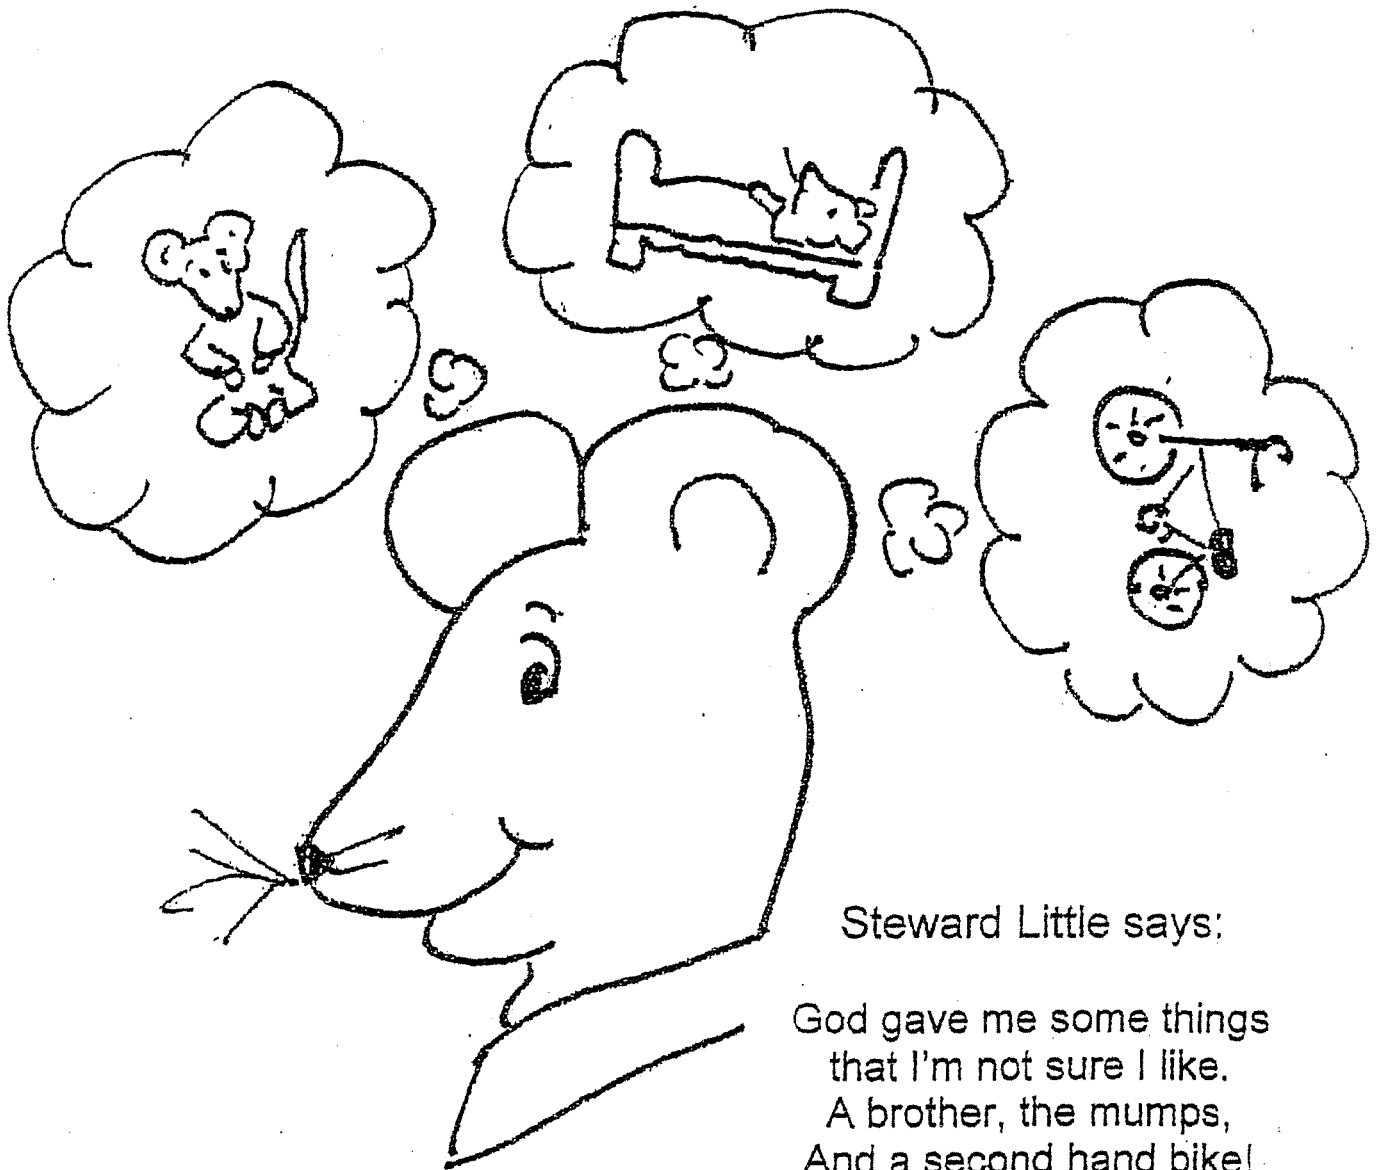

Playing Piano

is a gift from above.

Mom & Dad provide lessons
& they do so with Love.

"Practice each day" is
what I have for a plan
so I can play my piano
the best that I can!

Steward Little says:

God gave me some things
that I'm not sure I like.
A brother, the mumps,
And a second hand bike!
But one day I was lonely
& my brother was FUN!
And you know that old bike?
I met someone with NONE!
Having the mumps it
sure helped me to see
just how much my Mom
does to take care of me!
Now I look all around me
and really believe
The gifts God is giving
I want to receive!

Steward Little Says:

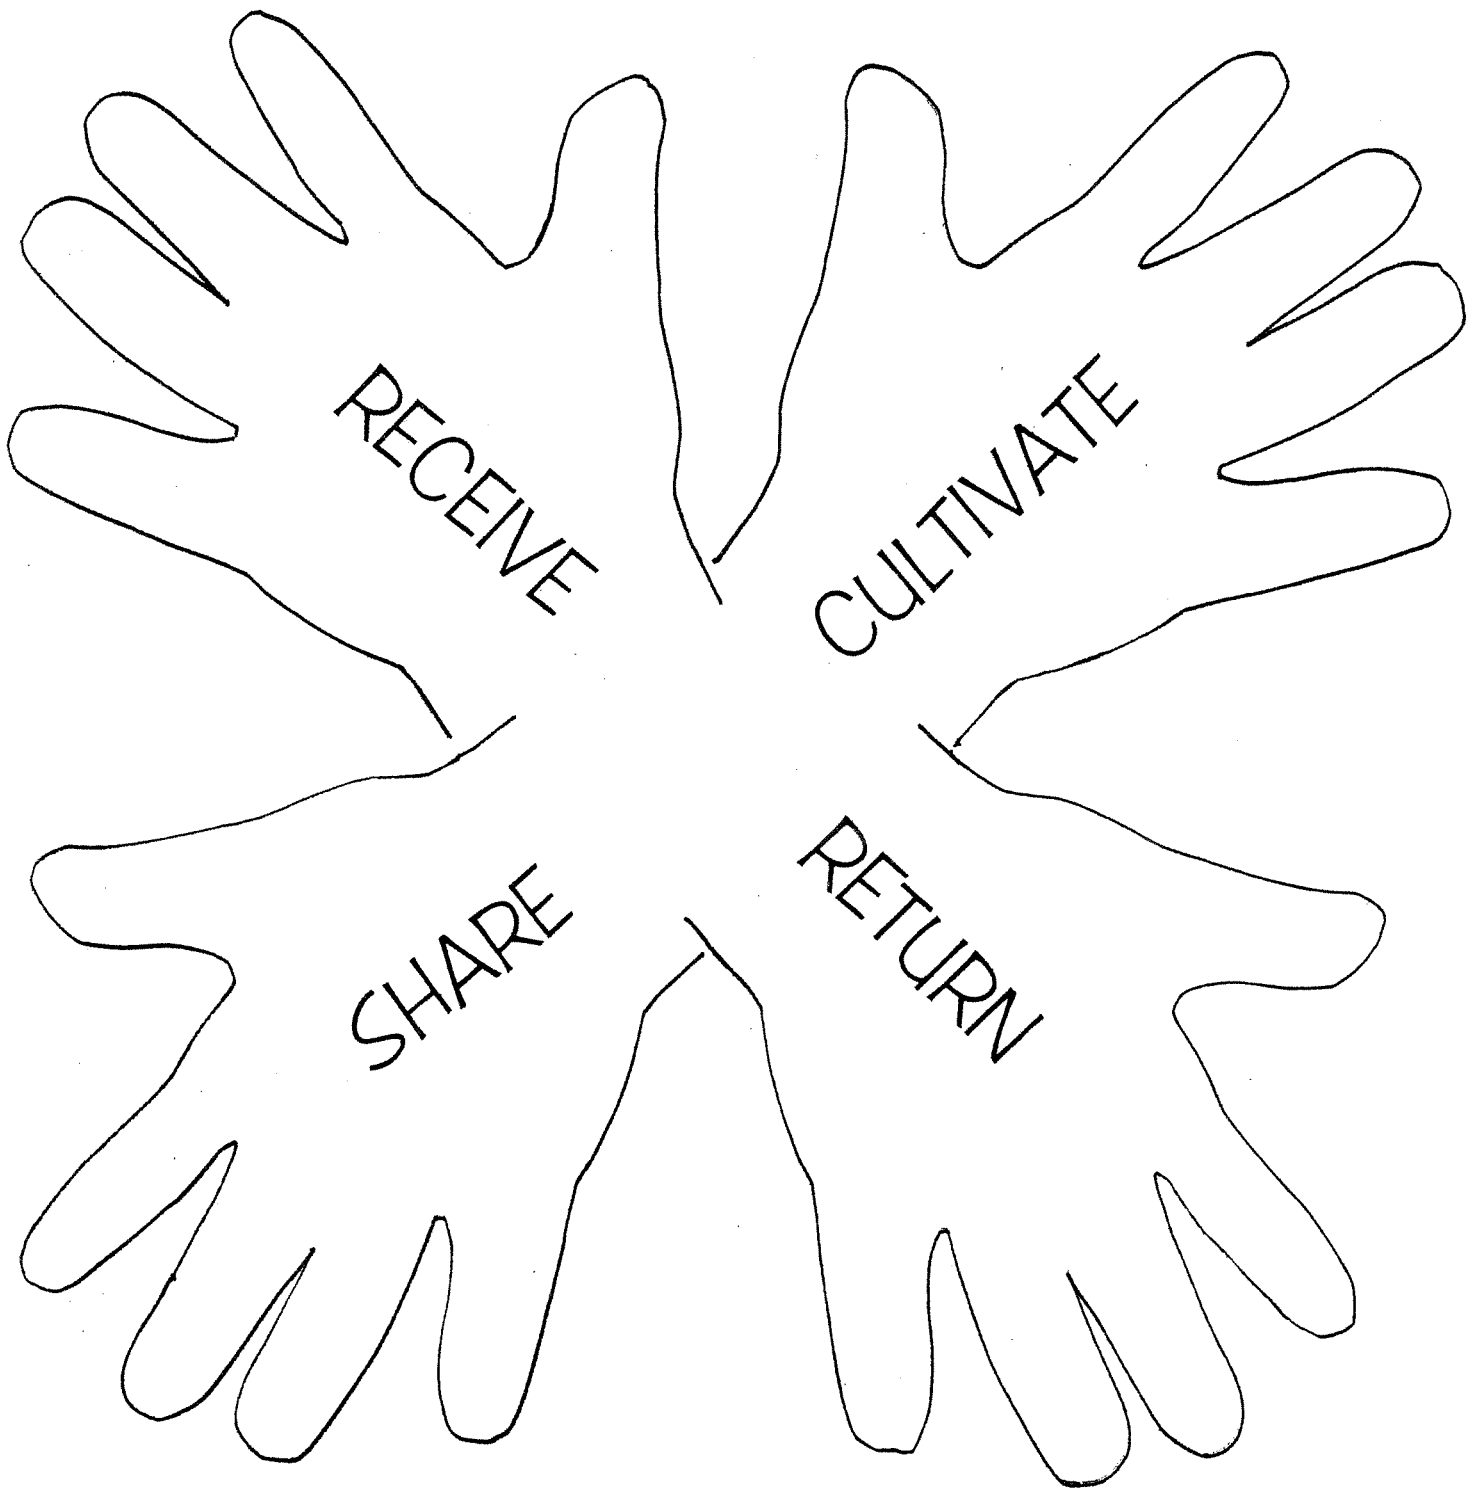

I have a little brother
who asks me to play.
I don't always want to
but I do anyway.
It makes him feel happy
when we pull out his toys
and play on the floor
til Mom says: "Quiet down boys!"
I think that the reason
I can share easily
Is remembering the kindness
my **BIG** brother gives me!
So when you receive
A kind word or deed
Try "giving it back"
To someone else
That's in need.
You'll not only be happy
for the gift that you got
but by passing it on
the whole world
gains a lot!

Please "paws" to read!

Steward Little Says:
Once every month look
for something that's new!
A bulletin for youth
which has fun things to do.
It has stories and poems,
clever as can be,
puzzles & prayers
and a cartoon of me!
We sure hope you'll read it
we sure hope you might
share your own poems & prayers~
we love when you write!
Moms & Dads help your kids
go from cover to cover
There's lots there of interest
we think you'll discover!

"Steward Little" is brought to you in promotion of children's stewardship!
