### Find life in admitting what you have not known.

Peter's words in the first reading are some of the earliest proclamations of repentance after the Cross. [Acts 3]. Preaching to the community that handed Jesus over to death, Peter offers mercy for sin. In the Gospel, the disciples on the road to Emmaus do not recognize Jesus until He is gone. [Luke 24].

In both cases, there is ample opportunity to kick oneself, saying, "*We should have known.*" But they did not know, even if they might have, and often neither do we, until it is too late. The miracle is that God shows up for us whether we recognize Him or not. What a gift!

Denial, justification, continuing in ignorance, wallowing in shame, or any other tactic we use to avoid repentance robs us of life. Do not add more sin to the first by refusing to see now or refusing grace. When you realize what you might have known, admit it, turn back and revel in the grace God offers us now that we know.

Prayer: *Jesus on the road to Emmaus, [Luke 24] thank you for coming to us even when we are unable to see and recognize you. Give us the grace to trust that it is enough for us to see you in hindsight. Help us receive your grace when our eyes are finally opened. Amen. Alleluia!*

Come and join us in praying for this in Adoration of the Blessed Sacrament on **April 22<sup>nd</sup>, 2018 at 7:00 PM at St. Mary's Cathedral** (353 St. Mary's Ave, Winnipeg). Bishop of Saskatoon

Your Excellency,

Your brother Bishops and all the Catholic faithful of this country join you in expressing condolences and praying for those killed and injured in the highway accident this past Friday, for their families and friends, and for the grieving city of Humboldt, as well as the many other prairie communities affected by this tragedy and its terrible impact on so many young lives.

As we witness the outpouring of concern and sorrow from across Canada and from so many places around the world, may this sad moment be transformed into one that heals hearts, offers comfort, and helps deepen our appreciation of how each life and death concerns our Heavenly Father and affects the whole human family.

May the Spirit of hope and consolation which we witness and share in Our Lord's Resurrection bring light and hope to all during this time of darkness and grief.

Fraternally yours in Christ,

+Lionel Gendron  
Bishop of Saint-Jean-Longueuil and  
President of the Canadian Conference  
of Catholic Bishops

**Pastoral Letter on Development and Peace  
Archdiocese of Winnipeg, Office of the Archbishop: 10 April 2018**

Dear Brothers and Sisters in Christ,

The Canadian Catholic Organization for Development and Peace was established by the Bishops of Canada in 1967. It was established as part of the missionary outreach of the Roman Catholic Church in Canada to foster justice and integral human development in Third World Countries. For many years the Archdiocese of Winnipeg has supported the work of Development and Peace both spiritually and financially. The fall educational initiative and the Share Lent Collection are two familiar ways by which our support has been evident.

The mandate of Development and Peace is fulfilled through cooperation with local partner organizations in developing countries where concrete projects are initiated among the poor. Globally D & P currently has over one hundred such partners. The Bishops of Canada have been made aware of a recent appraisal of such partners and have become concerned that a sizable number of them have practices and positions which conflict with Catholic moral and social teachings, such as respect for the sanctity of human life from conception to natural death.

As a result of this current review of Development and Peace partnerships, the Archdiocese of Winnipeg, along with the other dioceses of Western Canada, is temporarily withholding the 2018 Share Lent donations. These funds are being withheld until such a time as we receive assurance from Development and Peace that its partner agencies comply with Catholic moral and social teaching and with the criteria of *Caritas Internationalis* (of which Development and Peace is a member).

It should be noted that normally our collection is not sent into Development and Peace until August. This space of time should give ample opportunity for Development and Peace to make the required reforms. It is very important that the concerns surrounding the recent review of D & P partners are attended to promptly.

I must express my gratitude to the many volunteers and participants who are part of Development and Peace in the Archdiocese of Winnipeg. There has always been a very generous and whole hearted response to the work of Development and Peace in Manitoba and I can assure you that the monies so far collected, will be completely reserved for projects in the developing world. The temporary withholding of funds underscores the seriousness of the Bishops' concerns and the need for open transparency and accountability. If this is successfully achieved, Development and Peace – Caritas Canada will be strengthened and blessed in their important work.

I wish to bring you greetings and prayers during this holy Season of Easter!

Yours in Christ,

+Richard Gagnon  
Archbishop of Winnipeg
