# Awakening Hope:

## A weekend with Jonathan Wilson-Hartgrove

**Jonathan** and his wife Leah found Rutba House in Durham, North Carolina, a house of hospitality where the formerly homeless are welcomed into a community that eats, prays and shares life together.

Jonathan is a leading voice of his generation who practices a new monasticism that seeks to live the way of Jesus in every aspect of life in the poorest communities.

Hearing his story and dream for the world we will all be challenged and supported to consider the radical call of Jesus in our own lives.

Do you dare?
