

St. Benedict's  
Retreat & Conference Centre  
*"for conversations that matter"*

October 5, 2017

Dear Friends,

We, the Sisters of St. Benedict, want to inform you of some changes that have occurred regarding the land at the Monastery. The Sisters have been considering their future for some time and had recently decided to sell some of our excess land, specifically the acres along Main Street and part of the riverbank property. The sale has now been completed.

Please be assured that the Monastery, Retreat Centre and Senior's Residence are intact and we continue to welcome groups as well as individuals. There is still going to be a wooded area near the Centre and some acres along the riverbank for walking.

The Sisters of St. Benedict continue to provide the quiet space, good meals and well-kept facilities that groups need for their good work. As part of the sale we will have to remove the lettering on our sign at the highway. A smaller directional sign will be installed. Don't let that fool you into thinking we have left!

We are always glad to serve our guests from near and far and are grateful that you choose us as the spot for a workshop, retreat and/or in-service. We hope that you will come again soon, especially if we've missed you for a while. Pat Nitychoruk is our Conference Coordinator at the Centre and she will handle all your requests with promptness and kindness. Do call on her.

Yours in Christ,

*Sr. Virginia Evard, OSB*
