YouthLeader provides a team approach to Christian leadership formation that integrates Christian spirituality and ministry skills. The purpose of YouthLeader is to empower young people for Christian leadership in the Church and the wider community. Adults make a crucial difference in sponsoring youth as leaders by readying the community and providing ongoing support.

YouthLeader includes a five-day institute that will prepare youth, with the support of adults, in taking leadership of their lives and choices, training youth to be leaders in various ministries and forming youth to bring their Christian values to their leadership
